Bull Realty Adds Depth to The Apartment Group

ATLANTA, GEORGIA—Bull Realty welcomes commercial real estate professional Keith Wells to Bull Realty as an addition to The Apartment Group. He joins a team lead by firm partners Andy Lundsberg and Michael Wess, CCIM.

Keith has over 10 years commercial real estate experience having held senior-level positions including planning and execution of various real estate initiatives including 3 years with The CoStar Group. He will focus on acquisition and disposition of multifamily and boutique retail/office properties throughout metro-Atlanta.

Keith attended Fort Valley State University where he studied Business and Finance.

“I chose Bull Realty for a couple reasons. The commercial real estate industry is very competitive, and you must have the right training and brokerage support to succeed in this business. I didn’t want to go to a national firm and just become a number with no support. My goal is to be number one, and Michael Bull does a great job in ensuring everyone at the firm has the proper training and support in order to stand out in this industry,” said Wells.

Bull Realty was founded in 1998 to provide brokers known for 1) integrity and 2) the best disposition marketing in the country. The now full-service firm is licensed in nine southeast

states providing disposition, acquisition, project leasing, tenant representation and consulting services.
