"What I've always valued the most in my career is building long-term relationships. Solving problems, providing solutions others can't and bringing people together in a positive way is what it's all about. It takes a forward-thinking company with the right tools, expertise, integrity and culture to do that effectively. I am excited to serve Bull's clientele and work with this powerful team of brokers" said Willhite.

The Net Lease Investment Group at Bull Realty provides disposition and acquisition services for investors and developers to execute the marketing and sale of single tenant net lease properties on a national basis. The experienced team has built an extensive buyer database and completed transactions with buyers around the country.
